Jamboree Leadership Positions

If you feel qualified and wish to serve in a leadership position, please indicate your preferences below. Leadership selection will be based on Scouting history, age, and leadership ability. For SPL and ASPLs, interviews with adult leaders will be held. It is very likely that we will have many more qualified Scouts than positions available. There are ways that each Scout can provide leadership to the troop and patrol. Patrol leader and assistant patrol leader positions will be elected by the patrol members at the shakedown campout.
